

The problem:

- Stubborn dirt like insect residue
- Bee excrement

The solution:

Speed Shampoo

Product advantages:

- Removes easily and gently stubborn insect residue
- Profound cleaning for all types of dirt on vehicle surfaces, e.g. street dirt, dust and soot without removing the wax layer
- Very effective with a dosage of 1:400
- Removes gently even bee excrements
- With active lather formula
- Ideal treatment before waxing and polishing

Applications:

- To be applied before polishing and waxing as well as for regular cleaning
- For paint finishes of any kind and in any state

How to apply:

- Not to be used in full sunlight or on hot surfaces
- Shake well before use
- Rough dirt to be removed first with a lot of water
- Half a cap of A1 Speed Shampoo (25 ml for 10 liters) to be mixed in a bucket with a sharp stream of water
- Wash the entire car from top to bottom with the A1 Speed Shampoo by using a sponge
- Rinse with a soft stream of water, remove the remaining water with a leather
